

**'Kanivu'**-, Kindness, it is the elixir of life on earth. Lending our hands to the poor fellow beings keeps our hopes in humanity. **'Kanivu' is a joint initiative of Santhi Medical Information Center with Mar Chrysostom Thirumeni** to help the poor kidney patients across Kerala.

The project seeks to collect all information of kidney patients and provide necessary assistance with the support of noble philanthropists all over the world.

The Chairperson of 'Kanivu', Mar Chrysostom Thirumeni gave the start by donating an amount of Rs 1 Lakh towards this initiative. **The official launching is planned to be held on April 27, 2012 in connection with the 95th birthday of Mar Chrysostom Thirumeni.**

This initiative can only be a success if we gather 5000 people who can donate Rs 1 Lakh each by depositing the sum in bank, the interest amount will be an ever lasting aid to help all the kidney patients in Kerala. We at Santhi, believe that no kidney patient should die because of medical ignorance and we trust in the nobleness of humanity.

### Objectives of 'Kanivu-95'

Collect information of kidney patients all over Kerala through the registration process at Santhi's website ([www.santhimedicalinfo.org/kanivu/how-can-you-help-us](http://www.santhimedicalinfo.org/kanivu/how-can-you-help-us))

- ♥ Enlist all the poor kidney patients and do the necessary financial help for them.
- ♥ Start new dialysis units where it is absent or lacking in facilities.
- ♥ Financially back patients who have donors/relatives who are ready to donate their kidney but cannot do so because of financial problems.
- ♥ Provide post kidney surgery medicines at lower costs to the poor through Government's "Neethi Stores" and the such.
- ♥ Create awareness on organ donation in the case of brain-dead patients, in schools and colleges through street plays, tele-films, etc.
- ♥ Educate people about the main causes of kidney-related diseases such as blood pressure, diabetes diseases) throughout hospital wards and control the frequency of such diseases.

Santhi Medical Information Center is a charitable trust functioning in the health sector serving the poor patients from medical advice to facilities and financial aid, since 1997. Not just words, Santhi's founder **Mrs.Uma Preman** herself made a difference in the society by her noble deed of donating one of her kidney to a youth in 1999.

Santhi's path of charity is multifaceted among the kidney patients, from Organ Donation Awareness Program, facilitating society support to the poor through the formation of local committees, Kidney Transplantation Surgeries, Post Surgery Medication Assistance, Free and Nominal Cost Dialysis Centers, Mobile Dialysis Center etc. The trust has five advanced Dialysis Units and two Mobile Dialysis Units offering around 1500/month dialysis in which 950 dialysis at free of cost and the rest at a nominal rate of Rs. 400.

Through 'Kanivu', we wish to further extend our support to wipe off the tears of hopeless kidney patients across Kerala. We expect your sincerest support and participation in this program and the belief leads us forward on our paths of action.

### Lot of Hopes & Love of Hearts

Nothing but the help of kind hearts steers the charitable activities of Santhi Medical Information Centre. Santhi has strong foot fold in abroad where the help of Malayalis like **Dr. George Joseph** is invaluable. With five fully equipped Dialysis Units and two Mobile Dialysis Units Santhi could extend its helping hands to thousands of needy kidney patients. since 1997. Our new venture 'Kanivu' has the high dream of regaining the lost hopes of poor kidney patients at the virtue of good people.
